STATE OF THE VILLAGE REPORT

Michael Denger, Chair of the Chevy Chase Village Board of Managers, presented the State of the Village report during the 104th Annual Meeting. Below is a summary of Mr. Denger's report:

- Chevy Chase Village will receive designation as an official Tree City USA following an Arbor Day celebration scheduled for April 21.
- The Village has seen various infrastructure improvements over the last five years, which has continued this year with the replacement of the brick sidewalks surrounding the Village Hall and in the Buffer. In the coming year, the Village will begin planning for a capital project to install new storm drains.
- After years of planning and construction, Western Grove Park (located at the southwest corner of the Village) was opened to the public last fall. The Village invested over \$1.6 million toward the acquisition and implementation of this joint effort with Montgomery County's Department of Park and Planning. Special thanks to Meredith Wellington for her oversight of the project.
- Following several hearings which began in 2016, the Village has begun a rehabilitation project in the Brookville Road Park, including the creation of a fenced dog park area within the park for unleashed dogs. This project is scheduled for completion by the end of June.
- Since 2012, over 450 trees were planted along Village streets, Connecticut Avenue, and in the Buffer and other Village parks and greenspaces.
- Going forward, the Village is tasked to continue planting approximately 40 trees per year to keep pace with tree losses due to age and environmental factors.

- The Collection at Chevy Chase (formerly referred to as "Chevy Chase Center") is in the process of creating what they intend to be a more community-oriented shopping center with additional restaurants, an outdoor pavilion and community-appropriate retail establishments. The project is scheduled to be completed by fall 2018.
- Village finances are in good shape with a projected total of \$8.2 million in reserves upon the end of the current fiscal year. The Board will maintain the constant yield rate for real property in the fiscal year beginning July 1, 2018.
- Remembering Lost Village Residents - Mr. Denger led a moment of silence in remembrance of Polly Lawrence of E. Lenox Street and Grace Spring of Hesketh Street.

Mr. Denger noted that he is not seeking reelection and that this would be his final meeting as Board Chair. Mr. Denger extended a personal thanks to predecessor Ms. Pat Baptiste, fellow board members, dedicated Chevy Chase Village staff, committee chairs and members as well as Village Counsel, Ms. Suellen Ferguson. Board Vice Chair Ms. Elissa Leonard presented a Proclamation in recognition of Mr. Denger's contributions to the community, and Ms. Leonard presented Mr. Denger with a jacket featuring the Village's Coat of Arms as a token of appreciation.

The following reports were also provided during the April 16 Annual Meeting:

ANNUAL REPORT ON PUBLIC SAFETY

- Chief Fitzgerald reported that in 2016, 78 thefts were reported (the principal crime category in the Village). This number was greatly reduced to 36 thefts reported in 2017.

Village staff is working with the ad hoc Pedestrian Safety Committee to pursue installation of a 3-color signal that will be more effective.

SAVE THE DATE! "NATIONAL NIGHT OUT"

The Chevy Chase Village community and Police Department will be participating in National Night Out the evening of:

Tuesday, August 7, 2018.

POLICE - COMMUNITY PARTNERSHIP

This is a great time to meet your fellow residents, police department personnel, and other first responders. Please join us in Newlands Park from 6:30 p.m. to 8:30 p.m. for food, fun and giveaways!

NOISE START TIMES ENFORCED

With the weather getting warmer, many residents are hiring landscape crews and other contractors to maintain and make improvements to their properties. These contractors typically like to start early so they can avoid the heat of the day.

Residents are encouraged to remind their contractors and landscape crews that the Village noise ordinance prohibits the use of motorized equipment prior to 8:00 a.m. on weekdays and prior to 9:00 a.m. on weekends and holidays. The use of motorized equipment is not permitted after the hours of 6:00 p.m. The noise regulations are strictly enforced by citation and fine.

PLEASE LOCK YOUR VEHICLES

The vast majority of our thefts are from unlocked cars. We make it far too easy (and inviting) for thieves when we fail to lock our cars. The Village Police Department urges you to lock your car doors every time you park. And remove all valuables - or hide them at the very least.

Please do your civic duty; when you lock your car, you reduce opportunities for thieves and discourage them from returning to the Village.

Chevy Chase Village's Community Relations Committee Invites Residents to Enjoy

The Seriously Fun Singing Group

Sunday, May 20, 2018 - 4PM to 6PM

SFS is group of 22 singers that began three years ago when two friends in Chevy Chase were looking to sing popular and “fun” music in a small group setting. They ended up organizing their own group, recruiting many like-minded, musically-talented neighbors from Chevy Chase and nearby Bethesda and Chevy Chase DC.

Since May 2015, SFS has been performing programs of pleasingly eclectic popular music to enthusiastic audiences! Their concert on May 20th will focus on the music of Leonard Bernstein, celebrating 100 years since his birth, along with Gershwin standards , other selections from the American Songbook and some *bossa nova* jazz pieces to round out the program.
